

April 1, 1966

- Whereas, Libraries of all types in the State of New Mexico and throughout the nation are experiencing unprecedented growth in size, service and use; and,
- Whereas, There is a nationwide and statewide shortage of trained librarians, and
- Whereas, Courses of instruction in library science presently available in the State of New Mexico, the Southwest and the Rocky Mountain area in general are limited in scope and number; and
- Whereas, The Rio Grande Chapter of the Special Libraries Association is vitally interested in the availability and quality of library services of every type to the citizens of the State of New Mexico and this region; Therefore, be it
- Resolved, First, That every encouragement be given toward the establishment of a Graduate School of Library Science at the University of New Mexico in Albuquerque.
- Resolved, Second, That the members of the Rio Grande Chapter of the Special Libraries Association lend their support individually and as a body toward this end;
- Resolved, Third, That the text of this resolution be conveyed promptly to the authorities of the University of New Mexico and to other interested persons and organizations.

Jack Key  
J. Arthur Freed  
Mary Ray Houston  
Charles W. Sargent, Chairman  
Ad hoc Committee

- Whereas, Libraries of all types in the State of New Mexico and throughout the nation are experiencing unprecedented growth in size, service, and use; and
- Whereas, There is a nationwide and statewide shortage of trained librarians, and
- Whereas, Courses of instruction in library science presently available in the State of New Mexico, the Southwest and the Rocky Mountain area in general are limited in scope and number; and
- Whereas, The NMLA and the Rio Grande Chapter of the Special Libraries Association is vitally interested in the availability and quality of library services of every type to the citizens of the State of New Mexico and this region; therefore, be it
- Resolved, First, that every encouragement be given to a formal study of establishing a Graduate School of Library Science at the University of New Mexico in Albuquerque and of a statewide network of undergraduate programs.
- Resolved, Second, that the members of the NMLA and of the Rio Grande Chapter of the Special Libraries Association lend their support individually and as a body toward this end;
- Resolved, Third, that the text of this resolution be conveyed promptly to the authorities of the University of New Mexico and to other interested persons and organizations.
